## Accident & Health

Our specialist team is empowered to help clients in a broad range of Accident & Health (A&H) risks. We deliver fast, flexible and sustainable solutions. We are committed to creating long-term relationships with brokers and clients.

### What makes us different?

#### Product range

We have a comprehensive product portfolio covering a wide spectrum of risks.

#### Global experience

Our insurance solutions are available through an international network of offices around the world. These teams have a deep understanding of local and cultural needs.

#### Stability

You benefit from the knowledge that we are a reliable partner with a recognised history and reputation. Our financial strength and capacity underpin the long-term approach and commitment we take to the A&H market.

#### Claims handling

Our extensive know-how and many years of best practice claims settlement experience means companies can rely on professional, discreet processing and settlement of claims.

### Product Features

**Our range of products is available on both a Single Risk and MGA basis:**

#### Personal Accident

- Typically covers Accidental Death (AD),
- Permanent Total Disability (PTD),
- Temporary Total Disability (TTD)
- and Continental Scale cover for other disabilities.

Cover can be sold to Groups or Individuals, and can be extended to include illness.

#### Travel

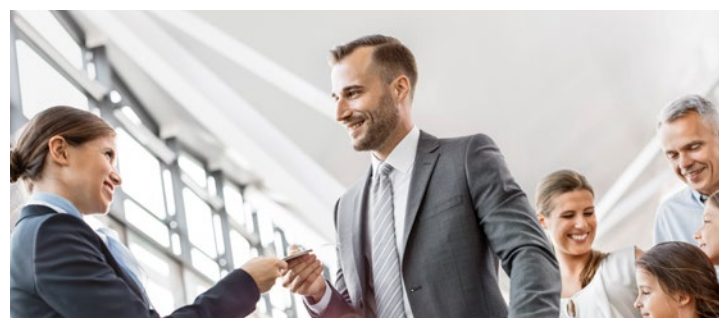

- Typically covers overseas medical expenses,
- Baggage,
- Personal possessions
- and a range of other covers.

Cover can be sold to Groups or Individuals, and for both business travel and individual travel, including leisure and purposeful travel. Personal Accident & Travel are often sold together but they can be bought as separate products.
