

Aviation & Space

In a complex and fast-moving world, our team is committed to a speedy turnaround of business. Our teams in Stockholm, London, Cologne, Melbourne and Toronto are empowered to deliver flexible and local solutions across a broad range of Aviation and Space risks.

What makes us different?

- For over 50 years we have been providing insurance solutions to the Aviation and Space Industry.
- We seek active engagement with our clients and take pride in supporting innovations in safety, security and sustainability.
- We value long term partnerships and we have clients where we go back over 30 years together.
- Using extensive databases and risk modelling tools in underwriting is our hallmark.

Product Features

Our experienced and diversified teams are used to handling complex and globally evolving risks. We take a prudent and flexible approach to underwriting and we welcome new ideas, either as lead or follow line market.

We offer:

- Availability 24/7 coupled with speed of service from quote, to policy issue to claims turnaround.
- A solution-based approach where we develop local wordings for individual clients and specific markets.
- Fairness and transparency in our dealings with clients and the wordings we provide.
- Local empowerment, global support – wherever you are in the world the local team is empowered to help and draw upon the expertise of the global network.
- An experienced and in-house claims team underpinned by a global network of adjusters and law firms.
