Bloodstock & Equine

Our market-leading team is committed to delivering an unrivalled 24/7 service underpinned by a deep knowledge of this niche insurance sector. With over 75 years' experience we provide the highest level of service for clients across UK, European and International markets.

What makes us different?

We are located at the heart of the London insurance market and are fully empowered to deliver a prompt, thorough service to our brokers, agents and clients.

We understand your risk and provide:

Efficient and punctual response times to any enquiry or request.

- An out-of-hours underwriting and claims service.
- Access to leading, expert veterinary professionals worldwide, who are able to provide the very best referral advice and guidance.
- A smooth transaction of business by collaborating closely with global bloodstock agents and London brokers.

Product Features

Our core, standard cover is for All Risks of Mortality, resulting from Accident, Illness, Disease or Death, including Theft.

Other Covers:

- Stallion Permanent Disability – Coverage in the event of your Stallion being sick, injured or unable to breed
- Transit – Cover for your horse during transit, whether by road or air, whilst in quarantine and for a period after arrival at its destination
- First Season Infertility – Coverage against infertility of a stallion during its first season as stud
- High performance Equine and Sport Horse risks – Dressage horses, Show Jumping animals and Eventing performers.
- Loss of Income – Protection of stud fee income if a stallion cannot commence breeding duties

Who do we cover?

We cover insurance and reinsurance on a variety of Bloodstock and Equine risks, including:

- Stud farm operations, encompassing breeding and youngstock risks.
- Racehorses – of both Flat and National Hunt codes.
- Schedules of mixed use Bloodstock, owned privately or managed by professional trainers or managers.
- Individual broodmares and breeding stallions.
