Professional Indemnity

Our specialist team delivers fast, flexible and sustainable solutions for Professional Indemnity risks. We are empowered to make decisions locally and are committed to building long-term relationships with clients.

What makes us different?

Our global reach, financial strength and capacity underpin the long-term approach and commitment we take to professional indemnity risks. You benefit from the fact that we are a reliable partner with a recognised history and reputation.

Through a flat structure and locally empowered teams we can make decisions quickly and efficiently. These teams have the expertise and experience to deliver with agility and flexibility. Also, where it benefits our clients we can draw upon our global network.

When it comes to claims HDI has acknowledged expertise in providing guidance for and managing liability claims, settlement discussions and mediation processes.

Coverage

Professional Indemnity Insurance offers protection from a financial loss in the event you have made a mistake in any professional service you provide.

Product Features

Our products can be written in an open market either on a primary or excess layer basis and on a delegated authority basis. Key features include:

- Can be written on a global admitted basis through our own network.
- Innovative and flexible underwriting.
- Wide range of professions covered.
- Claims management, support and mediation services specific to each territory.

Who do we cover?

We specialise in tailoring insurances for a wide range of advisors to cover the complex liability issues that may arise.

Our specialist teams have a broad appetite for professional classes ranging across the legal, financial, consulting and construction professions and we can review these on a primary and excess basis. In a dynamic and evolving market, we are open to new risks and professions.
