Specie

Our specialist teams are experienced in delivering fast, flexible and sustainable solutions for Specie risks. They are empowered to make decisions locally and are committed to building long-term relationships with clients.

What makes us different?

We take an open-minded and innovative view to new and different business risks, with a commitment to a solution-based approach. Our teams are experienced market leaders who are well versed in providing outstanding service to brokers and clients.

We are specialists in a special market with strong knowledge of security and by taking a collaborative approach with clients we can consider broader risks, discuss, negotiate and find answers through bespoke wordings as well as in respect of some specie classes, our own wordings.

Speed is essential in a dynamic business world. We commit to providing a swift response providing quotes or advise to brokers within 48 hours. Equally, we believe in delivering a fast and convenient claims service by integrating claims within all of our accounts.

Product Features

We welcome the opportunity to look at all classes of Specie insurance solutions both on a local or worldwide basis.

Who do we cover?

We have the global mandate to write Cash in Transit, General Specie and Jewellers' Block business and are active in the major wholesale markets such as London as well as in specific local markets.

We are a quoting and leading market with focus on quality risks offering reasonable pricing, terms and conditions. We maintain a sustainable underwriting discipline to ensure a balanced portfolio building long-term relationships with clients and brokers.

48-hour quote response

24/7
claims service

80+ years of experience

Our risk appetite

- Cash in Transit: CIT operators, armoured courier services and cash management companies, transport risk of cash, jewels and valuables
- General Specie: Transits and static storage/vault risks of valuables such as precious metals, valuables and bullion etc., banks and financial institutions, precious metals processors and traders, mining risks, ATM's, safe deposit facilities
- Jewellers Block: High value products such as precious metals, gemstones, prestigious watches in stock or transit as well as retailers and wholesalers.

What happens next?

We aim to offer solutions for your full range of insurance needs. Please contact us with any enquiry and we will assess it thoroughly, fairly and do our very best to accommodate your requirements.

Capacity:

- Wholesale markets: Up to: EUR 75 million
